Romania 1:300 000 road atlas with 41 city plans, spiral bound CB 2012 edition

This brand new, roughly A4 sized (26 x 20 cm / 10.5 x 8 in) atlas covers Romania at 1:300 000. Up the front of the atlas is the key to the map pages as well as a double page spread centred on Bucharest clearly highlighting the roads and motorways in and out of the city.

The country's landscape is represented by green for forested areas and special colouring for protected nature; some spot heights are included for significant peaks. Latitude and longitude grid is drawn at 10' intervals. The atlas shows the road network throughout the country, indicating road types from motorways all the way down to minor roads with distances also shown. Includes the 2012-completed Danube Bridge # 2. Railways, administrative boundaries, and national parks are marked, and symbols highlight various places of interest, including campsites, spas and beaches, World Heritage sites, folk museums, wooden churches, ports, border crossings etc. A handy distance chart shows the road distance between major centres in kilometres. An extensive index with post codes is included.

The atlas also has 21 pages of city plans covering central Bucharest + 40 county towns with street names and various facilities and buildings of interest or importance marked.

The legend is in 8 languages including English, 160 pages. Made in Romania.
