Conversations with God for Teens Neale Donald Walsch

Suppose you could ask God any question and get an answer. What would it be? Well, young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally best-selling *Conversations with God* series of books (in 27 languages so far), had another conversation. It's a simple, clear, straight-to-the-point dialogue. The answers may challenge your beliefs about God, money, sex, love, about everything you may have been taught. But if you ever wanted to know if God is listening to you, if God can really help, if God cares about you, if there is a God, and if there are answers to your questions, then this is the book for you.

Because you'll discover that it is not really the author's conversation with God that matters. It's your own conversation. And there's not a better time to begin than right now.
