Death and Dying Sourcebook: Basic Consumer Health Information for the Layperson About End-Of-Life Care and Related Ethical and Legal Issues (Health Reference Series)

Although Americans are living longer than ever before, there is concern about the quality of life as it draws to a close. Options regarding nursing care, living wills, pain management, and counseling present a bewildering array of options from which choices must be made, often under difficult circumstances.

Death and Dying Sourcebook provides up-to-date information on these issues so that the layperson can make intelligent decisions. Topics covered include pain management, end-of-life care, the hospice program, the effectiveness of living wills, the ethical and legal ramifications of euthanasia and assisted suicide, coping with the death of a child, organ donation, cryogenics, and life support systems.
