Sonya Sones

One of Those Hideous Books Where the Mother Dies Sonya Sones

My name is Ruby

This book is about me.

It tells the deeply hideous story of what happens when my mother dies and I'm dragged three thousand miles away from my gorgeous boyfriend, Ray, to live in L.A. with my father, who I've never even met because he's such a scumbag that he divorced my mom before I was born.

The only way I've ever even *seen* him is in the movies, since he's this mega-famous actor who's been way too busy trying to win Oscars to even visit me *once* in fifteen years.

Everyone loves my father.

Everyone but me.
