## **Pontiac: The Performance Years** Martyn L Schorr

Pontiac: The Performance Years represents a compilation of the best of three volumes covering the peak years of musclecar performance. The books were first published as part of the Quicksilver Supercar Series in the early 1980s. Out of print for decades, original editions of the books are coveted by collectors and rarely come up for sale. Not content to let collectors have all the fun, we've brought them back to provide a unique window into musclecar history. Pontiac is the brand that brought us the GTO in 1964 and created a whole new market segment: Supercars. First an option in 1964-1965 and then a full model line in 1966, the GTO was the first of the Supercar genre and was supported by incredibly creative marketing programs, in-your-face advertising, and almost endless option lists. Today we call vintage GTOs and competitive mid-size models with high-profile trim and large displacement, high-horsepower engines "musclecars." Back then, though, it was the Supercar Sixties, and Pontiac started it all! Pontiac: The Performance Years is packed with a treasure trove of period photography and information from Pontiac engineering, specialty marketers like Royal Pontiac (Bobcat), and factory and private racecar builders.

Do you want to try this extraordinary shelling out spare time activity?

#### **Penny Risley:**

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know

that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Pontiac: The Performance Years can make you really feel more interested to read.
