Juhan Liiv

Snow Drifts I Sing (Essential Translations) Juhan Liiv

Juhan Liiv (1864-1913) has the same significance for Estonian culture that Federico García Lorca and T.S. Eliot have for modern culture created, respectively, in Spanish and English. Liiv's existential-patriotic and intimate-holistic lyrics have had an impact across Estonian society. Rebellion against all models and fashions existing in poetry unites Liiv with Walt Whitman: noble and proud, always in search of original expression, ever aspiring to resemble God in the inimitability of creation.
