A Brief History of the 69Th Regiment Pennsylvania Veteran Volunteers, from Its Formation Until Final Muster Out of the United States Service (Classic Reprint) Anthony W. McDermott

Regiment that for more than four years of active field service made it one of the best-known fighting regiments of the Army of the Potomac. Therefore, in writing this little book, we make no pretensions to writing the history of the Sixty-ninth Pennsylvania Regiment, which would require a volume of no mean proportions, for its history is, in part, a history of that Grand Old Army. In this we can only give but a condensed statement of the services of that veteran organization, and leave it to future historians to do this regiment full justice ;but we feel, at this time, that we owe something to our generous fellowcitizens who came to our aid, and who so nobly assisted us to erect a shaft which marks the spot where this regiment did valuable service at Gettysburg, and which honors the memory of brave comrades who, with tenacious courage, laid down their lives in defence of their State and country. We trust that our efforts will be appreciated, and that the facts set forth in this small volume may prove interesting to the reader, and that this book may be the nucleus from which some more competent historian, in the near future, may be enabled to compile a more perfect history of the services of the gallant old Sixty-ninth Pennsylvania Regiment. THE AUTHORS.
