[New Adult FIction (Ages 18-25)]

Govcorp detective Carlos Moreno was only a baby when Atlas left Earth. But in that moment, the course of Carlos' entire life changed. Atlas is what took his mother away; what made his father lose hope; what led Alejandro Casales, leader of the religious cult known as the Circle, to his door. And now it has something to do with why Casales was found dead in his hotel room -- and why Carlos is the man in charge of the investigation. To figure out who killed one of the most powerful men on Earth, Carlos is supposed to put aside his personal history. But the deeper he delves into the case, the more he realizes that escaping the past is not so easy.
