Book Banning and Other Forms of Censorship (Essential Library of the Information Age) Carolee Laine

"The flow of information through our modern digital world has led to many new issues and controversies. [This book] examines how and why schools, special-interest groups, and governments attempt to suppress information in print and online. Compelling text, well-chosen photographs, and extensive back matter give readers a clear look at these complex issues. Features include essential facts, a glossary, additional resources, source notes, and an index. Aligned to Common Core Standards and correlated to state standards."--
