Claire has the world round her little finger - she's young, gorgeous, sociable and fun. She's not short of admirers, and in Tristan she has a fanboy who only lives to serve her. From doing her shopping to massaging her thighs, Claire is glad to have him as her sweet, domesticated pet. Then Claire meets Paul, the best-looking, most powerful and enigmatic man she's ever known, and feels as awestruck in his presence as Tristan does in hers. But Claire is about to learn the dark side of Paul's love, which involves strict rules and even stricter punishment. And when her ass feels the first imperious smack of his hand, it's only the beginning of her education in submission. "The most erotic thing I've read in years... a lovely spiral into the depths of submission." -Portfolio Editor, Erotica Reader's Association
