Loving A Felon Danelle

Patrick 'Trick' Harris has always been about his money. To him, women were only good for a quick nut. His heart was off limits because of the deep disdain he held for his mother, Annette. After three years of incarceration, Trick finds himself in unfamiliar territory. His once cold demeanor is slowly softening at the persistence of his childhood friend Panama Canales. Ma, as he called her, is a beautiful yet inexperienced woman who stood by his side during his three-year prison stint. Through his time with her, Trick finds himself feeling things he never thought possible. The only problem is that he won't totally give in to those 'feelings'. As Panama continues to ride for Trick, he finds himself at a cross road as secrets begin to surface. Now, everything Trick envisioned with Panama is at risk and he doesn't know how to handle it. After the truth is revealed, both Panama and Trick face some hard decisions. Will they work through the trials or let them break apart their union? Will Trick get his shit together before Panama bounces or will she do the unthinkable to finally get his heart? Follow these two as they both battle through the trials and tribulations that comes with relationships and love.
