Photojournalists on War: The Untold Stories from Iraq Michael Kamber

With previously unpublished photographs by an incredibly diverse group of the world's top news photographers, *Photojournalists on War* presents a groundbreaking new visual and oral history of America's nine-year conflict in the Middle East. Michael Kamber interviewed photojournalists from many leading news organizations, including Agence France-Presse, the Associated Press, the *Guardian*, the *Los Angeles Times*, *Magnum*, *Newsweek*, the *New York Times*, *Paris Match*, Reuters, *Time*, the *Times of London*, VII Photo Agency, and the *Washington Post*, to create the most comprehensive collection of eyewitness accounts of the Iraq War yet published. These in-depth interviews offer first-person, frontline reports of the war as it unfolded, including key moments such as the battle for Fallujah, the toppling of Saddam's statue, and the Haditha massacre. The photographers also vividly describe the often shocking and sometimes heroic actions that journalists undertook in trying to cover the war, as they discuss the role of the media and issues of censorship. These hard-hitting accounts and photographs, rare in the annals of any war, reveal the inside and untold stories behind the headlines in Iraq.
