Art students and amateur painters alike will find advice and instruction in Barron's popular *Pocket Art Guides* series. Each title focuses on a specific aspect of painting or drawing, and includes tips that even experienced professionals will find helpful. These information-packed books are handy artists' companions for the reference shelf, but are also small enough to carry along with art supplies on field trips. Includes captioned color illustrations and notes on how famous artists solved specific problems. This newest addition explores the techniques behind portraiture.
