A Practical Guide to Producing and Harvesting White Tailed Deer James C. Kroll

From the publisher's website: "Considered by many as the bible of deer management. In here you will find 590+ pages packed full of everything you need to know about managing and hunting whitetails. Part One covers what Dr. Kroll feels you need to know about deer biology to effectively hunt or manage the white-tailed deer. Part Two starts with the premise: "Well, now that you've grown them, how do you harvest those trophy bucks?" Hunting methods such as patterning, calling, rattling, stand placement and effective use of scents are discussed in detail. Part Three deals with a very important aspect of deer management--people management. Whether dealing one on one with the anti-hunter or organizing and running a hunting club, this part of the book will be of great benefit."
