Flash finds himself trapped in this strange land where everything looks different than he's used to and behaves strangely. He must learn to survive by his wits by trial and error. Not by using some Minecraft Handbook with all the rules explained. He soon runs into a Minecraft Village out hunting and tries to take his pig but wolves chase them into a ravine where they discover even more deadly monsters and a mysterious empty tomb surrounded by writings on the walls. The empty tomb belongs to Herobrine and the writings are some sort of Herobrine Diary announcing to the world that he has risen. Thus begins the amazing series of Minecraft Interactive Adventures of Flash and Bones. This Minecraft diary of our heroes adventures has the look and feel of any of the best Marvel Comics with superheros based on the Minecraft mobs and characters you've come to love from the game as well as other Minecraft books. In these Minecraft Adventures, our hero Flash will be searching for the mysterious Herobrine with the help of a Minecraft villager named Bones and their mysterious rescuer named Angel. Along the way they'll run into many different Minecraft monsters, including zombies, wolves, an evil witch, skeletons, creepers, endermen, and the ender dragon. In order to complete their journey they must uncover hidden Minecraft secrets, mine and craft tools, build structures and set Minecraft traps in order to make it to the end of their quest and keep from being eaten or captured by Herobrine and his evil minions. What you expect from Minecraft Comics, Herobrine Comics and Herobrine Books will never be the same after reading these Amazing Interactive Adventures of Flash and his sidekick Bones.
