Sports journalist Melanie Foster has achieved most of her goals: Bomb.com job--check. Tomboy-to-smoking-hottie makeover--check. Convince her best friend, Damien Richards, to slide a ring on her finger and father her two-point-five kids--not so much. When she activates Operation: I'm Gonna Make You Love Me, she never imagines her Bff already has plans to stroll down the wedding aisle with another woman. Damien's in the middle of crisis mode. The non-profit for young athletes at which he volunteers is in financial trouble. He'll pull out all the stops to rescue the organization that saved his life after his career-ending injury--even if it means sacrificing his personal happiness. But when he finally wakes up to love and the very non-brotherly feelings he's long held for Mel, it just might be too late. Damien must convince her that he's worth the risk and turn the tables to show her he's the one ready to be a fool for love.
