Motorsports fans worldwide are raving about Ron Howard's film, *Rush*. The movie, and this book, was inspired by the dramatic battle for the 1976 World Championship between two very different drivers: the freewheeling Englishman James Hunt and his canny Austrian rival Niki Lauda.

Nearly 40 years later, 1976 is still remembered as one of the greatest seasons in Formula One history; one that pitted two of the sport's greatest teams, Ferrari and McLaren, in a back-and-forth struggle that wasn't decided until the final rain-soaked race at Suzuka. Ferrari's defending World Champion Niki Lauda led early on before suffering serious burns in a near-fatal accident at the Nurburgring. Just five weeks later he was back, hoping to fend off McLaren's unpredictable upstart James Hunt.

Former F1 Racing editor Paul Fearnley uses hundreds of rare photographs and detailed captions to recapture all the excitement, danger, and controversy of the 1976 season. *Hunt vs Lauda* features over 200 colour and black-and-white photographs from 1976, many of which are rare and previously unpublished.
