Pilot license candidates studying for the Private and Recreational Pilot FAA Knowledge Exam will find sample questions for every question in the Federal Aviation Administration exam database along with their answers and explanations, in this guide. Questions from the exam are arranged by subject category, with each section prefaced by text introducing the subject matter and accompanied by specific study material. Each question is followed by the answer, an explanation of the answer, and a Learning Statement Code for further study in FAA materials. Updates are provided to account for FAA test-question changes throughout the publication year via the ASA website or e-mail alerts. Up-to-date basics on aerodynamics, engine operation, flight instruments, performance, radio navigation, and meteorology are among the subjects covered in this study aid. Includes softcover book and computer testing supplement.
