Wild Whales: Humpback, Gray & Killer Whales

James David Darling

Wild Whales: Humpback, Gray & Killer Whales James David Darling

This book is a window into the lives of three populations of whales: killer whales in the Pacific Northwest, gray whales along the North American west coast, and humpbacks in the North Pacific. These are some of the whales best known to science, and much of our generalized understanding of whales in their natural habitat can be traced back to studies of these species.
