This volume contains the history and legends of the most famous teapot in China, the Yixing teapot: discover the properties and secrets of Yixing clay. It showcases over 60 of the most beautiful Yixing teapots, the works of some of the best known master craftsmen, in splendid full-color photography, and debunks some common myths about tea drinking, among them that tea tastes better in tiny red pots! It also guides you on the best ways to make tea, from selection of the right material to handling the preparation itself. The author takes the reader through the process of comparative testing with different teapots and different teas. His method, knowledge and experience will help you make the best choice, and get the best fragrance and taste out of your own teapots. Beautifully designed, this previous album is a definitive treat for all tea-lovers and collectors.
