From the Introduction:

Welcome! This book is about you & Mom. That's your mom, not your best friend's mom or the mom who drives the carpool or the one who leads your Bible study. This book will help both of you figure out how to make your relationship the very best it can be.

Book description:

By taking quizzes and surveys, reading parts of the Bible, learning about other girls and doing activities and crafts, girls aged 9-12 and their moms can build--or build upon--the trust, communication and love that are all important while Mom is still one of most significant influences in her daughter's life. The Bible-based content clarifies and reinforces Christian values, and helps readers to understand their relationship with Mom as an essential part of God's exciting plan for them.

Each chapter covers a different topic (for example, forgiveness or discipline) and includes sections about Mom, God, Bible character profiles, Q&As, a Bible reading, a prayer, interview questions for daughters and moms that promote rich conversation, a craft or activity and plenty of opportunities to write down thoughts. In addition, comments from girls, "Mom" in different languages and mom "secrets" are sprinkled throughout.

The Christian Girl's Guide to Mom combines discovery and fun with a Christian world view.
