The Dead Sea Scrolls Reader. Volume 2: Calendrical Texts and Sapiential Texts, Poetic and Liturgical Texts, Additional Genres and Unclassified Texts

This is volume 2 of a two volume set, which replaces the six volumes of the first edition. This volume contains Calendrical Texts and Sapiential Texts, Poetic and Liturgical Texts, Additional Genres and Unclassified Texts. The purpose of *The Dead Sea Scrolls Reader* is to enhance the research facilities of the individual texts within their respective genres. The nature of the Dead Sea Scrolls publication project was such that texts belonging to the same literary genre were published in different volumes in the *Discoveries in the Judaean Desert (DJD)* series, although those from cave 4 were often published by subject. The dispersion of these texts in several different volumes complicates their analysis, a problem that is now overcome in *DSSR*. This second and revised edition of the *DSSR* forms an updated and expanded publication, as follows: - *DSSR II* replaces preliminary editions of *DSSR I* with fine-tuned, published editions. - *DSSR II* presents improved or revised texts. - *DSSR II* features texts not published in *DSSR I*. - *DSSR II* reassembles segmented texts. - *DSSR II* deletes extremely fragmentary texts. - *DSSR II* updates names of compositions.
