Sierra Club

The Sierra Club Guides to the National Parks of California, Hawaii, and American Samoa Sierra Club
What's new in America's national parks? Leading nature writers and photographers offer a tour through each of America's parks, including the park's discovery and use by man, its natural and geological history, its animal and plant life, and its sites and trails. An updated facilities chart provides addresses, phone numbers, and other practical information at a glance for each park. Full-color photos illustrate the natural wonders of America's national parks.
