Thomas, the Other Gospel

Nicholas Perrin

Thomas, the Other Gospel Nicholas Perrin

Since its discovery in the mid-1940s, the *Gospel of Thomas* has aroused the interest of scholars and general readers alike. *Thomas, the Other Gospel* provides a clear, comprehensive, nontechnical guide through the scholarly maze of issues surrounding the Coptic text. Nicholas Perrin argues that the Gospel derives not from the era of Jesus or even the apostles but from the late second century CE. Further, contrary to what many scholars believe, he maintains that the Gospel was originally written in Syriac rather than in Greek, and he concludes that the real value of the *Gospel of Thomas* lies not in what it might be thought to say about the "real Jesus" but in what it tells us about early Christianity.
