Write Your Life With Grace, Fruit of the Spirit Guided Journal is a twelve-month interactive journal based on the nine fruit of the Spirit plus three extra disciplines: gratitude, forgiveness, love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control, and humility. It guides readers through the necessary spiritual growth and character development needed to heal and improve relationships.

Featuring twelve character traits for twelve months, each month lingers on its own discipline for quiet discovery and implementation. Weekly concepts prompt personal, emotional, and spiritual wisdom while offering real-life applications, not fluff, to harmonize your inner life with your outer life. Presented in full-color, stationary-like pages from artist Katie Roen, the reader will personally interact with deep questions, inspiring quotations, unique verses, and insightful observations to apply the twelve character traits to their daily life. Change is possible through the fruit of the Spirit, because life isn't about what you do; it's who you are while you're doing it.

Fill in the blanks in this beautiful, guided journal and you will literally write your life with grace.
