ABC's of Community Tropical Fish Steve Pond

Freshwater tropical fish offer a view of a fascinating underwater world. It is especially fascinating for children who want to know all about the world around them. This book offers young children a way to become more familiar with the tropical fish they will see in community aquariums in their home or other homes they visit. Let Blue, a cartoon South American Cichlid help introduce your children to the fish that they might see in a visit to an aquarium. Each species has added information so that they can get to know each one of them a little better. A fantastic way to let your child learn the alphabet while learning more about the variety of life swimming in an aquarium close to them.
