Little Pig Figwort Can't Get to Sleep Henrietta Branford

The other little pigs snuggled and snoozed, but little Pig Figwort could not get to sleep! "What I need is an adventure," Pig Figwort decides, and he's off for a dive in his submarine. But no one on the ocean floor wants to have fun; the mermaids and starfish are sleepy. So are the polar bears and seals at the North Pole. The moon pigs in outer space, however, are ready to play with Figwort until he just can't play anymore and goes home. "That was so much fun that I don't think I'll ever go to sleep again," says Figwort, as he snuggles up with all the other little pigs and falls fast asleep. Dedicated "to all sleepless piglets around the world," this book is a wonderful bedtime read-aloud.
