Prodigy Vampire is short, leaving the reader only with the most unforgettable moments. William Chosen is a vampire and Watcher for a prominent clan within a metropolis in peril, known to many as Murder City. The story takes place over the time span of several days. William's entire life will change due to a feudal dispute between two ancient clans. Along the way he will ally with a rapping vampire, venture to a rock concert with his girlfriend, and receive a lap dance at a local nightclub. Prodigy Vampire blends gothic and urban culture. These vampires seem concerned more with the latest fashion and music instead of immortality. They love expensive cars, jewelry, and sport designer clothing. They enjoy partying at the local nightclubs and drinking at the hottest pubs. Enter into the wild and crazy world of the modern day vampire: "It's okay, I'm right here." "Can you please take me home now?" "The concert's almost over, you can't make it another thirty minutes?" The eyeliner dyed her tears emerald. "No, I can't see you, William, where are you? We have to be together" -Chapter thirteen: Fun with Drugs
