The Bear Who Shared Catherine Rayner

Norris the bear has been waiting patiently for the last ripe fruit to fall from the tree. But Tulip the raccoon and Violet the mouse have too . . . although maybe not so patiently. In fact, Tulip and Violet sniff, listen to, and even hug the fruit. Norris catches the fruit when it finally falls, and because he is a wise bear, he shares it and makes two new friends.

A lovely simplicity of language and gorgeous artwork make this story of one of life's first lessons perfect for the youngest listeners.
