The Cook's Book Howard Hillman

Kirkus' Review A juicy, king-sized portion of information on foods: background, availability, and best uses. Hillman lists foods alphabetically (Iguana follows Ice cream) and adds to the basic format as necessary: some entries (Bitters, Fermented black beans, Yams) occupy a few lines, others are much longer (Chicken gets 30 columns). In the Oil entry, he includes heat, flavor, and nutrition data, and tells why oil makes a poor substitute for butter in most baking. The Lemon entry includes kitchen tips--a cold lemon gives less juice--and equivalents: an average lemon gives 3-4 Tb. of juice, (apple) tsp. of grated peel. Hillman covers nearly everything you can think of--standard foods, not-so-standard foods (Horsemeat, Fiddlehead ferns), foreign and domestic exotica--and his taste is sure: he favors fresh Parmesan over the powdery approximation on store shelves and he invariably rejects processed substitutes (dried onions, bacon bits) over the real thing. This won't tell you How to Cook a Wolf (although M.F.K. Fisher is in the fine bibliography) but you can find out how to choose a honeydew, clean leeks, or carve a leg of lamb.

From reader reviews:

David Cain:

Here thing why that The Cook's Book are different and dependable to be yours. First of all studying a book is good but it depends in the content of computer which is the content is as delicious as food or not. The Cook's Book giving you information deeper since different ways, you can find any publication out there but there is no guide that similar with The Cook's Book. It gives you thrill studying journey, its open up your personal eyes about the thing that will happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in playground, café, or even in your method home by train. When you are having difficulties in bringing the paper book maybe the form of The Cook's Book in e-book can be your substitute.

Joseph Curtis:

The guide with title The Cook's Book possesses a lot of information that you can understand it. You can get a lot of benefit after read this book. This specific book exist new knowledge the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you with new era of the internationalization. You can read the e-book with your smart phone, so you can read this anywhere you want.

Judith Craig:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Cook's Book can make you really feel more interested to read.

Rachel Cady:

What is your hobby? Have you heard which question when you got students? We believe that that query was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you know that little person including reading or as studying become their hobby. You must know that reading is very important and also book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is this The Cook's Book.
