Two Pet Dicks John Inman

Old friends and business partners, Maitland Carter and Lenny Fritz, may not be the two sharpest pickle forks in the picnic basket, but they have big hearts. And they are just now coming around to the fact that maybe their hearts are caught in a bit of turmoil.

Diving headfirst into a whirlwind of animal mayhem, these two self-proclaimed pet detectives strive to earn a living, reunite a few poor lost creatures with their lonely owners, and hopefully not make complete twits of themselves in the process.

When they stumble onto a confusing crime involving venomous reptiles, which is rather unnerving since they re more accustomed to dealing with misplaced puppy dogs and puddy tats, they take the plunge into becoming real-life crime stoppers.

While they re plunging into that, they re also plunging into love. They just haven't admitted it to each other yet."
