Life of Ai: The artist activist

As his personal circumstances move in constant flux, Ai Weiwei remains a cultural magnet. Renowned for his political activism and social media activity almost as much as for his social interventions, contemporary approach to the readymade, and knowledge of Chinese traditional crafts, **Ai's fame extends throughout and beyond the art world.**

Drawn from TASCHEN's limited Collector's Edition, this monograph explores each of Ai's career phases up until his release from Chinese custody. It features extensive visual material to trace Ai's development from his early New York days right through to his recent practice. Focus moments include his international breakthrough in the early 2000s, his porcelain *Sunflower Seeds at the Turbine Hall of the Tate Modern*, his response to the Sichuan earthquake of 2008, and his police detention in 2011. With behind-the-scenes studio pictures, production shots, and numerous statements derived from exclusive interviews with Ai, we gain **privileged access to the artist's process, influences, and importance.**

The book includes texts from **Uli Sigg**, Ai's longtime friend and former Swiss ambassador to China; **Roger M. Buergel**, who curated the 2007 documenta and hosted the artist's *Fairytale* piece; and experts on Chinese culture and politics: **Carlos Rojas**, **William A. Callahan**, and **James J. Lally**.

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you might have done when you have spare time, after that why you don't try factor that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Ai Weiwei, you could enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

Phillis Ries:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Ai Weiwei can make you experience more interested to read.
