## **DragonKin (Dragons of Wendal) (Volume 2)** Maria E Schneider

Drissa needs a place to hide, and she needed it yesterday. Wendal, with its rumors of inhospitable shifters, unknown terrain and wild magic, is not a territory many want to explore, making it the perfect place to disappear. Now, the last thing Drissa needs is to adopt more trouble, but what can she do when it hatches at her feet and then insists she drag it and a half-dead stranger to safety? But she'll do whatever is necessary to survive, because her younger sister can't wait forever to be rescued. Of course, Wendal and its inhabitants aren't necessarily interested in her long-term plans or her survival.
