What do sex-doll pool floats, binder clips, and baby bottles have in common?

There might be a kinky Suncoast Society baby shower in the works for Leigh, complete with crazy games and fun for all, because this group knows how to enjoy themselves. What Tilly needs most right now is a distraction and the love of her friends to take her mind off her own personal issues. So does Leigh, but for different reasons.

But Tilly, Leigh, and the others won't be able to anticipate the life-changing twists and turns this evening has in store. By the time the night is over, life will never be the same for some of them.

Whether those changes are positive or not have yet to be seen...
