**Mosby's Textbook for Nursing Assistants : Mosby's Workbook for Nursing Assistants** Sheila A. Sorrentino

Reflecting contemporary practice, this text explains the general roles and responsibilities of the nursing assistant, showing how these roles correspond to the performance of procedures and interaction with other health care professionals. This edition includes new chapters on comfort, rest and sleep; personal care and grooming; and persons and hearing with vision problems. A variety of ways are offered for students to focus and self-assess, including learning objectives, key terms with definitions at the beginning of each chapter, and review questions and answers at the end of each chapter.
