Targeted in America

Sharon R. Poet

Targeted in America Sharon R. Poet

This book aims to expose technological and pharmaceutical mind control and a covert enslavement program, which is a serious threat to America, it's citizens and the rest of humanity. It is also the beginning phase of an American Targeted Individual's recording of around four decades of experiences with being covertly targeted, by an operation, which utilizes satellite surveillance systems in conjunction with microwave weapons, laser weapons, psychotronic weapons, chemical warfare and psychological warfare. Please help restore the personal Freedoms that we need, in order to live - think, dream, feel, heal and grow into all that we were meant to be. Find more information on; <http://www.targetedinamerica.com> May genuine peace replace the covert wars and Hearts step out to inform and restore. Leaving humanity more free than ever before. I am deeply concerned that too many people have been being recruited and/or enslaved into the covert program that is targeting humanity and instigating covert wars. Some of these victims seem to think that they are fighting for freedom while being used to destroy it. They do not seem to realize that they are mind control victims. There is a desperate need for the covert program, and its wars, to be publicly exposed in order for everyone, from all countries and walks of life, to regain Freedom and start recovering in the peace that is needed for such a task. I beg those of you, who are in the covert program, to PLEASE LEAVE AND PEACEFULLY STAND UP FOR FREEDOM. The weapons that are being used on humanity, the Earth and its atmosphere are probably advanced versions of the Nicola Tesla types of technologies. And I pray that those who use them will gain a bit of sense from Tesla's wisdom, which stated that such weapons could abolish war forever, because it would be too dangerous to use them. He was right. Covert wars with weapons that can inflict drought, earthquakes, massive storms, physical illness and mind control on its adversaries can only destroy masses of innocent people and serve those who want control, chaos, destruction and a mass reduction in the Earth's population. Those who want this are the enemy of EVERY nation, every government, every common citizen and the universe itself. Again, I beg government and media officials, around the globe, to immediately inform the public and secure all weapons, especially those that orbit around the Earth, and destroy those that can not be completely secured from criminal use. Please inform the people of what is happening. Please set humanity free. You are the ones who can save the world, save humanity from further destruction, and enable victims a chance to understand, resist and recover. Please do. President JFK had spoken of a covert organization that is a serious threat to humanity. His description of their tactics perfectly mimic that of those who are still targeting humanity. I feel that it is the same entity. Below is a quote from the speech that JFK had delivered to the press. Perhaps now is a time when JFK's wisdom. . . <http://www.targetedinamerica.com/covertwar.html>
