Time For Koda To Leave: children book Cindy Lou Wyman

Two weeks had gone by and with the help from Mr. Otter Koda had found a place of his own, That is when the dreams started, He was dreaming when he was a baby and he was with another bear and they were playing in the sun and they rolled among the grass and how they had fun and he seen the butterflies then they flew away he seen the mountains and the trees and In his dream he sees a big bear and the big bear was walking along a dirt path and he was a proud bear and he walked with his head high and the small bear left to go with the big bear then Koda was alone, Then he seen the little bear and she was walking beside the big bear and she would stop to play among the flowers and she was laughing with the butterflies while she laid on the grass and she watched them then they flew away up they flew through the clouds above her, Then the little bear ran to catch up with the big bear once again and the big bear turned around and he waited for her with his arms wide open she jumped up in them and she hugged the big bear while he carried the little bear and they both continued on their way and they walked along the dirt path, Koda seen how happy they both looked together, Then in his dream his Mother appeared and she sat beside him while they both watched the big bear and little bear was no more, Then Koda heard his Mother say to him I'll never leave you Koda I'll always stay with you
