Trust No One: Especially the Ones You Sleep With Shavonda King

This is a sexual glimpse of the lives of women and men using every part of their bodies to get what they want, to fulfill their sexual fantasies. We all know closed mouths don't get fed, and closed legs don't get paid. Some families have deep dark secrets that no one could ever imagine. Women are taught to get what they want by any means necessary. Even if it means backstabbing your family, friends, or whomever to get what you want. Jasmine is a good girl, although she has a sexual wild side. She's looking for the right man to meet her sexual desires. She doesn't know what feeling she is looking for, but she knows she wants an erotic sensation. She doesn't care if she has to use her mouth or her greasy split but she's determined to get her way.
