Runes: Theory and Practice Galina Krasskova

Runes: Theory & Practice provides a thorough examination of the Norse runes. It will enable a beginner to delve effectively into their usage, but will also challenge the experienced rune-worker to better and deepen his or her understanding of these mysteries. Runes: Theory & Practice begins with an explication of the story of Odin, the Norse god who won the runes by sacrificing himself on the World Tree. It continues by examining each of the individual runes in turn, both the Elder Futhark and the lesser-known Anglo-Saxon Futhorc. Each rune is studied not only from a historical viewpoint, but also from the perspective of a modern practitioner. You will be introduced to the practice of galdr, the proper way to sacrifice to the runes, as well as to their magical usage and the art of reading for divination. Most importantly, Runes: Theory & Practice specifically addresses the runes as living spirits and provides guidance on developing a working relationship with these otherworldly allies.

From reader reviews:

Shannon Thompson:

Throughout other case, little men and women like to read book Runes: Theory and Practice. You can choose the best book if you appreciate reading a book. Providing we know about how is important any book Runes: Theory and Practice. You can add expertise and of course you can around the world by way of a book. Absolutely right, simply because from book you can learn everything! From your country right up until foreign or abroad you will find yourself known. About simple issue until wonderful thing you can know that. In this era, you can open a book or maybe searching by internet gadget. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's read.

Cecil Andrade:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a reserve. Book has a different type. We all know that that book is important point to bring us around the world. Beside that you can your reading proficiency was fluently. A e-book Runes: Theory and Practice will make you to become smarter. You can feel far more confidence if you can know about everything. But some of you think which open or reading some sort of book make you bored. It's not make you fun. Why they are often thought like that? Have you in search of best book or acceptable book with you?

Lloyd Lake:

This book untitled Runes: Theory and Practice to be one of several books this best seller in this year, this is because when you read this book you can get a lot of benefit into it. You will easily to buy that book in the book store or you can order it through online. The publisher of this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Mobile phone. So there is no reason to your account to past this reserve from your list.

Jerry Schooler:

The reason why? Because this Runes: Theory and Practice is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will surprise you with the secret the item inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content interior easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This amazing book will give you a lot of rewards than the other book have such as help improving your skill and your critical thinking method. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.
