The Irish Celtic Magical Tradition explores the wealth of spiritual philosophy locked into Celtic legend in The Battle of Moytura (Cath Maige Tuired), a historical-mythological account of the conflict, both physical and Otherworldly, between the Fomoiré and the Tuatha de Danann. This legend contains within it the essence of the Celtic spiritual and magical system, from Creation Myth to practical instruction and information. Alongside a translation of The Battle of Moytura, Steve Blamires provides a series of keys to facilitate understanding of the legend and sets out an effective magical system based upon it, including interpretations of the symbolism, meditation exercises and suggestions for its practical use. The book offers a powerful and illuminating method of working with ancient Celtic legendary material in the context of modern magic.
