## **Cash Crash Jubilee: Book One of the Jubilee Cycle** Eli K. P. William

In a near future Tokyo, every action—from blinking to sexual intercourse—is intellectual property owned by corporations that charge licensing fees. A BodyBank computer system implanted in each citizen records their movements from moment to moment, and connects them to the audio-visual overlay of the ImmaNet, so that every inch of this cyber-dystopian metropolis crawls with information and shifting cinematic promotainment.

Amon Kenzaki works as a Liquidator for the Global Action Transaction Authority. His job is to capture bankrupt citizens, remove their BodyBank, and banish them to BankDeath Camps where they are forever cut off from the action-transaction economy. Amon always plays by the rules and is steadily climbing the Liquidation Ministry ladder.

With his savings accumulating and another promotion coming, everything seems to be going well, until he is asked to cash crash a charismatic politician and model citizen, and soon after is charged for an incredibly expensive action called “jubilee” that he is sure he never performed. To restore balance to his account, Amon must unravel the secret of jubilee, but quickly finds himself asking dangerous questions about the system to which he’s devoted his life, and the costly investigation only drags him closer and closer to the pit of bankruptcy.

In book one of the Jubilee Cycle, *Cash Crash Jubilee*, debut novelist Eli K. P. William wields the incisive power of speculative fiction to show how, in a world of corporate finance run amok, one man will do everything for the sake of truth and justice.

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
