Dear Viking Lori Soard

(Viking Romance / Historical Romance / Inspirational Romance / Christian Romance) Rok Erikson comes from a long line of Viking warriors. The tradition of his upbringing, his new Christian faith and the code of honor that says he must protect his family at all costs wage war within him. He and his brothers go on a mission to kill Jarl Van of Colby before the man can make another attempt on their father's life. The code of honor insists that they either kill or be killed, however, there are dark forces at work of which Rok is unaware. Leani is the daughter of the jarl Rok believes is making attempts on his father's life. When the eldest brother reaches her village ahead of Rök and the rest of the party, he kills her father and defiles her frail sister. Enraged, and fearing for her own life, Leani drives a silver dagger into his neck. Leani is captured by the vile Eriksons and forced to leave behind her broken sister as they take her to face a trial for killing the Viking who murdered her father. Leani's life hangs in the balance as she struggles with her guilt over taking the life of another and tries to find forgiveness where none should exist. Her faith will be tested to the limits as she fights a growing attraction to her enemy, tries to hide the truth about her identity, uncovers a treachery that runs deep within the Erikson clan, and sees how God can come to your rescue even when all hope seems lost...
