Savage Journey Allan Eckert

"Eckert's skills as a naturalist, previously displayed in his Newbery Award-winning *Incident at Hawk's Hill*, are here given full expression and armchair adventurers will soon be caught in its spell. The pristine and often savage beauty of the killer rainforest is described in lush detail; the reader is right there, watching. Once the reader has been snagged, he'll be as much a captive of the magnificent forest as is Sarah Francis and just as intent as she to survive in a paradoxically terrifying and beautiful environment. The reader cannot help but hold his breath!"-Cincinnati Enquirer
