Symptom Management in Advanced Cancer

Robert G. Twycross

Symptom Management in Advanced Cancer Robert G. Twycross

Drawing on personal clinical experience in palliative care, and reflecting current preferred practice, Robert Twycross provides a framework that enables the clinician to develop a scientific approach to managing advanced cancer symptoms. This volume expands and develops the author's previous work and includes fresh material on psychological, neurological and haematological symptoms and on emergencies in palliative care. It also includes an extended section on drug profiles.
