## **You'll Die in Singapore** Charles McCormac

With sixteen other Pows, author Charles McCormac broke out from his Pow camp in Japanese-occupied Singapore and began a two-thousand-mile escape from Singapore, through the jungles of Indonesia to Australia. The Pows' escape took a staggering five months and only two out of the original seventeen men survived. This is McCormac's compelling true account of one of the most horrifying and amazing escapes in World War Two. It is a story of courage, endurance and compassion, and makes for a very gripping read.
